Starting in fiscal year 2017, the District will participate in the responsibility for the maintenance and monitoring of the panther mitigation property in Labelle. The establishment and perpetual responsibility to maintain the property and provide a five year monitoring and reporting program (which ends in 2019) is a development order requirement for not only this District but also for 3 other neighboring communities. Additionally, the District participates in the costs of maintaining the common infrastructure along Bonita Beach Road serving the same communities, including landscaping, roadway and storm water maintenance. All of the costs will be shared with the other communities by interlocal agreement and based upon previously agreed upon percentages.
